MORE ABOUT THIS DESIGN

Inspired by Toso Lake at Rolpa within one of the biggest glaciers this house offers bigger than life. Balcony is set at the rear of the house and is perfect to capture sunset for an east facing house with a sip of coffee with access from upstairs rumpus. The house offers multiple living areas, the kitchen is designed so you can always keep an eye out for kids during the meals time. With a walk-in pantry and huge rumpus upstairs is spacious to any family size. Suits wider lots.

Highlights: Balcony at back, kitchen overlooking living area, walk in pantry and robe, huge Ensuite with bath top.

Options to add: Pool. Change the payout with master and balcony to front to match the orientation.
